Introduction 3

Welcome to the 2020 Montclair Film Festival!

On March 15, Montclair Film announced that, due to the COVID-19 pandemic, we would be postponing the 2020 Montclair Film Festival, originally scheduled for May 1–10. But the impact on our organization has paled in comparison to the impact the pandemic has had on our community and country. So, we want to first send our thanks and gratitude to all essential workers for the sacrifices they have made to get us to this moment.

Over the past few months, we've come together as an organization to re-imagine our festival to meet the needs of our moment, with innovative virtual programs presented with our partner Eventive, the continuation of our Carpool Theater, our popular drive-in movie program, as well as engaging conversations with filmmakers who are working on stories that speak to our shared moment.

Today, and every day, Montclair Film re-affirms our commitment to democratic participation, social justice, equity, inclusion, and our deeply held belief that Black Lives Matter. We join those on the front lines of the fight for change, and actively work to create space in our program for films and conversations that address the historical problem of systemic racism in our society.

We want to encourage everyone in our community to participate in this year's festival by exploring the program and trying something new. Whether it is a single film at home on our new Virtual Cinema platform, a trip to our Carpool Theater for a unique drive-in experience, or a panel or conversation with one of the many talented artists sharing their voices in this year's program, your support will help ensure that Montclair Film will continue to endure in these unprecedented times.

Now more than ever, we are relying on the support of our community to help nurture and sustain our programs, to engage with us. We hope you will take time to discover these programs and explore these wonderful films with us.

Enjoy The Festival!

Part of your community for generations. Growing along with you. Moving forward *for* you.

ESTIVAL **ONTCLAIR**

Dear Movie Fans,

I want to welcome everyone to the Ninth Annual Montclair Film Festival!

This extraordinary event allows fans of cinema to enjoy stories from a widevariety of producers, directors and actors in their own community. I know Montclair Film Executive Director Tom Hall and his amazing staff have created some truly unique experiences in a safe environment for viewers this year, including drive-in movie showings and virtual screenings.

But the festival is just one part of Montclair Film's commitment to increase and expand the community's love of cinema. I would encourage everyone to sign up for one of the workshops, such as screenwriting or podcasting, that Montclair Film + Education conducts year round. Also, they have an Emerging Filmmaker Competition as well as a Children's Art Project. If you cannot make the festival, you could rent out Montclair Film and have a private screening of your favorite film for friends and business associates.

So, stay safe and enjoy the event.

Sincerely,

Donald M. Payne, Jr. Member of Congress

Dear Friends,

It is my pleasure to welcome all of you to the 2020 Montclair Film Festival! The Festival brings together film lovers and professionals from our local community, throughout New Jersey, and around the world. As our community continues to grapple with the challenges posed by the COVID-19 virus, the Montclair Film Festival offers a wonderful example of how we can reimagine our favorite events for this new world.

Since 2012, the Festival has connected global filmmakers with a diverse audience, offering an environment that engages, entertains, and educates through film and year-round programs. Congratulations to the Montclair Film Festival's board, staff, and members on producing another creative and entertaining program for 2020, and under the constraints of a global pandemic no less.

Not only does the Festival support the film community, but it also involves younger generations through exciting virtual workshops that include screenwriting, filmmaking, improv, and more. It has been wonderful to watch how the Festival provides support to artists and sets such a high standard of how we can continue to foster artistic engagement in our country.

I hope you all enjoy the ninth annual Montclair Film Festival! Stay safe and be well.

Sincerely,

Mikie Sherrill Member of Congress

Welcome \$

Dear Friends:

Welcome to the Ninth Annual Montclair Film Festival.

This dynamic event is a wonderful opportunity to view high quality films from veteran, emerging, independent and cutting-edge artists. We are pleased that the organization was able to adapt this year's festival to address health and safety issues brought on by the COVID-19 pandemic.

Montclair Film has evolved into more than just a festival to watch movies. Montclair Film has grown by leaps and bounds, established a permanent downtown presence and organized a year-long schedule of events, programs and educational workshops, making it a dynamic resource and year-round asset for the community.

We thank the committee for highlighting the extraordinary artistic talents of the filmmakers and actors, the importance of film as an art form and for adding a generator of economic development to our vibrant community.

Essex County knows that the arts are a cultural and economic driver, and strongly supports efforts like the Montclair Film Festival. Together we will continue Putting Essex County First.

Sincerely,

Tough Qillinungo. J

Joseph N. DiVincenzo, Jr. Essex County Executive

Welcome to the (rescheduled) 2020 Montclair Film Festival!

These are unprecedented times, but we can still count on enjoying ourselves at the ninth annual Montclair Film Festival!

The 2012-2019 Festivals were overwhelmingly successful and this year's celebration of all things film, uniquely adapted to address health and safety issues brought on by the Covid-19 pandemic, promises to set the bar even higher.

Montclair Film, and its flagship Montclair Film Festival, are integral parts of our community and we are exceedingly thrilled to embrace them year-round and particularly during this year's October festival.

I congratulate and thank all those who have worked so hard to bring the ninth annual Festival to life.

Sincerely, han

Welcome 🕽

Dear Friends,

On behalf of the Board of Directors of Montclair Film, we are proud to welcome you to the 2020 Montclair Film Festival!

This year has brought unprecedented challenges to our community and our nation, and we want to thank all of the brave essential workers and healthcare professionals who have given so much of themselves during this time. We are incredibly grateful for your work to help our community move forward, united in our efforts to care for one another.

While these challenges have also impacted the traditional structure and calendar of Montclair Film's programs, our mission, to engage, educate, and entertain our community through the power of visual storytelling, endures. When we postponed our festival, originally scheduled for May 1–10, 2020, we did so with the intention of using the ensuing time to find safe, creative solutions that would allow us to provide our programs while examining and learning from developments and best practices in the film industry, in government guidelines, and in the concerns of our patrons.

Our dedicated staff have worked diligently since March to revamp, restructure, and reschedule the Montclair Film Festival, and this year's unique event, taking place October 16–25, will feature state-of-the-art virtual screenings, conversations, and panels, as well as in-person, drive-in screenings at our Carpool Theater, presenting our audiences with an inclusive lineup that represents the best in contemporary filmmaking.

But all of this work is for naught without your support. While Montclair Film has been able to carry on in our work since the festival was postponed in March, and while good governance and careful management of our resources has allowed us to present this year's festival, we are counting on the generocity of our community and patrons to sustain us. We need your participation, and invite you to explore our programs, to try a few new films in a new format, and to sample new and unexpected stories by diverse, emerging artists.

While we want nothing more than to be with you, in-person, in one of the many physical theaters throughout Montclair, to share the experience of watching a film together, to talk about the films with you as we wait for the show to start, we also know that this year, we'll have to try a new way, together with you. We hope you'll join us for this year's Montclair Film Festival, and as always, we remain grateful for your enduring support.

With gratitude,

Bob Feinberg Founder and Chairman Montclair Film

Help us build Bobcat Alley.

Bobcats are endangered in New Jersey, facing the challenges of fragmented habitat, development and a dense network of busy roads.

The Nature Conservancy is working to help our state's last wild native felines survive here by connecting and protecting "Bobcat Alley," a habitat greenway in northwestern New Jersey that spans the Appalachian and Highland mountain ranges, and by studying wildlife movementpatterns to assess where roadway crossing improvements are needed.

With your support, we have made great progress, but have more work and thousands of acres yet to go. It is not an easy project, but it is one that we are completely committed to, for as long as it takes.

Please stand with us, and with New Jersey's remaining bobcats.

Education

Dear Friends,

What a year it's been! We were well into our winter classes and were ramping up for the 2020 Festival when the world shut down. Once the shock wore off, our dedicated education team regrouped to adapt our hands-on curriculum and to develop new classes to meet the challenge of remote learning.

Despite these challenges, our Film Academy continues to grow. To date, we've served over 1600 students with classes ranging from screenwriting to editing, and everything in between. Our students tell their stories in documentaries and narratives. Through pictures and words. In podcasts and in Slams. Our goal is to help students find their voices, and it's been such a joy to see their stories come to life.

Our 505 Films + Friends club continues to provide a welcoming and inclusive space for young adults, of all abilities, to engage intellectually and socially through the viewing and discussion of films. This year we introduced 505 Films + Friends for teens.

We've expanded our reach with hands-on filmmaking instruction at Newark's Northstar Academy, and forged a powerful storytelling partnership with Newark's Kipp Schools. We've also begun to develop Professional Development workshops for teachers.

We launched our Summer and Fall Academy online, and will celebrate our 2020 Emerging Filmmakers and our Junior Jury at this year's virtual festival. Under the guidance of filmmaker Reuben Atlas, our team of young interns and volunteers has created a digital campaign to empower young voters in the 2020 election.

We are so grateful to our staff and instructors for their creativity and hard work in making this challenging transition—and to our students for having faith and for sticking with us through the occasional screen freeze or ZOOM crash.

If the past several months have left you feeling a little stifled, check out our exciting online classes at MontclairFilm.org/Education. Let your mind travel, even if your body can't!

We wish everyone a safe and healthy year to come.

Be well,

Sue Hollenberg Education Director Montclair Film

Mike and the North Jersey Mutual Aid Team

2020 has been a tough year for us all, but under so much darkness it is beacons of light like the work of our community, Toni's Kitchen, North Jersey Mutual Aid, Montclair Mutual Aid, Community Outreach Program, Kiwanis, our First Responders, and countless volunteers that kept our most vulnerable protected and fed that gives us continued hope!

With help from all these partners we have donated over 10,000 meals, bags of groceries, but combined this group will reach over 100,000 meals/groceries by the end of this year! There is much work to be done, but together there is no doubt that we can do it! - Mike, Bre & your Guerriero Family! -

Mark Urman Award Fund

ANNOUNCING THE MARK URMAN AWARD FUND

We are proud to report that Montclair Film received more than 120 generous donations totaling more than \$75,000 to help create the festival's first fund to provide an annual cash prize for the winner of the Mark Urman Award for Fiction Filmmaking, which supports first- and second-time American Independent Filmmakers. These donations will fund a \$5K annual cash prize over the next 15 years. As the fund increases its value through future contributions, the life of the prize will grow.

This year, the winner will also enjoy an additional \$42,500 of in-kind filmmaker services as part of the juried prize. These gifts made in honor of our friend, the late film distributor Mark Urman, warm the hearts of all of us here at the Festival, as well as Mark's family and close friends, many who supported the creation of the Fund. The winning film will be chosen by the MFF's Future/Now Jury and announced at the conclusion of the festival.

About the Artist

"I wanted the illustration to act as a herald of good will, envisioning a communal sense of unity."

For **Michael Hoeweler**, the person behind the 2020 Montclair Film Festival artwork, people have long been his preferred subjects. "This illustration was a perfect opportunity to present Montclair with a kind of mirror so the community could see themselves reflected within the art." His goal was to "make something that highlighted Montclair Film's mission to connect the community with film and filmmakers by showing people heading to film screenings together."

The illustration also proved to be the perfect opportunity for Hoeweler to merge his love of portraiture with decorative and natural imagery. The floral motifs that are swirling around and connecting each of the figures were "a symbolic nod to that sense of growth and connectedness, both within the community and between us and the films we see." All of the flowers drawn are based on flowers native to New Jersey.

Hoeweler, whose work has appeared in *The New York Times*, *Vanity Fair*, and *The Wall Street Journal*, among other places, grew up in Cincinnati, Ohio. He holds a BFA in illustration from the Maryland Institute College of Art and now lives and works in Bloomfield, NJ where he settled with his partner after a decade in New York City.

Restored by the Academy of Motion Picture Arts and Sciences Film Archive and The Film Foundation, with funding provided by the Hobson/Lucas Family Foundation.

THE SOUL OF AMERICA

Thursday, October 22 6:30pm Director: Katie Davison Producers: George Kunhardt, Teddy Kunhardt USA, 90 min.

Katie Davison's new documentary THE SOUL OF AMERICA, based on Jon Meacham's 2018 bestselling book of the same name, illuminates our present-day, fraught political reality by exploring historical challenges of the past. Examining the women's suffrage movement, the incarceration of Japanese Americans, McCarthyism, and the struggle to pass Civil Rights legislation in the 1960s, the film brings America's legacy of political exclusion and struggle into sharp focus, calling upon citizens of today to embrace the "better angels" of our shared national ideals in order to create a democracy that works for all of us, together.

OUT OF THE BLUE (1980)

Thursday, October 22 9:30pm

Director: Dennis Hopper Producers: Jean Gontier, Gary Jules Jouvenat, Leonard Yakir

Cast: Linda Manz, Dennis Hopper, Sharon Farrell, Don Gordon, Raymond Burr Canada, 94 min.

After serving time for a devastating drunk driving accident. Don Barnes (director Dennis Hopper) tries to reconnect with his wife Kathy (Sharon Farrell). In his absence, their daughter CeBe (Linda Manz) has grown into a traumatized teen misfit, fascinated both by Elvis and the punk rock movement. Each of these lost souls dream in their own way of forming a united family again, struggling against the dark past that still tears them apart.

One of the most powerful, moving works of Dennis Hopper's legendary career, and featuring a timeless, heartbreaking performance by the great Linda Manz, the Montclair Film Festival is proud to present the new 4K restoration of OUT OF THE BLUE, which makes its drive-in premiere at the festival.

Friday, October 23 6:30pm Director: Edward Hall Producers: James Spring, Meg Leonard, Nick Moorcroft, Hilary Bevan Jones, Peter Snell, Tuni Pinnous

Cast: Dan Stevens, Judi Dench, Isla Fisher, Leslie Mann, Aimee-Ffion Edwards, Emilia Fox UK, 95 min.

In this light-hearted comedy, best-selling crime novelist Charles (Dan Stevens) suffers from terrible writer's block and is struggling to finish his first screenplay. His pictureperfect new wife Ruth (Isla Fisher) is doing her best to keep him focused so they can fulfill her dream of leaving London for Hollywood. Charles' quest for inspiration leads him to invite the eccentric mystic Madame Acarti (Judi Dench) to perform a séance in his home. He gets more than he bargained for when Madame Acarti inadvertently summons the spirit of his first wife: the brilliant and fiery Elvira (Leslie Mann).

Friday, October 23 9:30pm

Director: Victor Kossakovsky Producer: Anita Rehoff Larsen Norway/USA, 93 min.

Through encounters with a mother sow (the eponymous Gunda), two ingenious cows, and a scene-stealing, one-legged chicken, GUNDA movingly recalibrates our moral universe, reminding us of the inherent value of life and the mystery of all animal consciousness, including our own. Shot in luminous black and white from the perspective of the animals, without dialogue, narration, or music, the natural world comes alive on its own terms. GUNDA is a unique cinematic experience, a gorgeous meditation on the value of life from master filmmaker Viktor Kossakovsky, reminding us of our role as stewards of life on this planet.

ONE NIGHT IN MIAMI...

Saturday, October 24 9:30pm Director: Regina King Producers: Jody Klein, Jess Wu Calder, Keith Calder Cast: Kingsley Ben-Adir, Eli Goree, Aldis Hodge, Leslie Odom Jr. USA, 114 min.

On one incredible night in 1964, four icons of sports, music, and activism gather to celebrate one of the biggest upsets in boxing history. When underdog Cassius Clay, soon to be called Muhammad Ali, (Eli Goree), defeats heavy weight champion Sonny Liston at the Miami Convention Hall, Clay memorialized the event with three of his friends: Malcolm X (Kingsley Ben-Adir), Sam Cooke (Leslie Odom Jr.) and Jim Brown (Aldis Hodge). Based on the award winning play of the same name, ONE NIGHT IN MIAMI... is a fictional account inspired by the historic night these four formidable figures spent together. It looks at the struggles these men faced and the vital role they each played in the civil rights movement and cultural upheaval of the 1960s. More than 40 years later, their conversations on racial injustice, religion, and personal responsibility still resonate.

SURGE

Hannah Rosenzweig and Wendy Sachs's SURGE is a documentary about the record number of first-time female candidates who ran, won, and upended politics in the historic 2018 midterm elections. Following three candidates in Texas, Indiana, and Illinois who each were looking to flip their red district to blue (including Lauren Underwood, the youngest black woman to ever be elected to Congress), SURGE explores the dynamic campaigns of this new generation of politician, driven to service and representation as a way of counteracting the historical underrepresentation of women in the American political landscape, while inspiring hope for enduring change.

TEST PATTERN

Director: Shatara Michelle Ford Producers: Shatara Michelle Ford, Pin-Chun Liu, Yu-Hao Su Cast: Brittany S. Hall, Will Brill USA, 82 min.

Committed, happy, and out with a friend for a night on the town, Renesha (Brittany S. Hall) survives a sexual assault at the hands of a stranger. Seeking to report the assault, Renesha and her boyfriend Evan (Will Brill) are forced to engage with the health care system in their community of Austin, TX, a system that seems incapable of addressing the trauma of her experience or her full humanity. Winner of the 2020 Berlin Film Festival's Golden Bear for Best Feature, Mohammad Rasoulof's THERE IS NO EVIL is a powerful meditation on guilt, complicity, and resistance set against the backdrop of contemporary Iran. A series of four interrelated short stories, THERE IS NO EVIL is at once devastating and hopeful, a portrait of a society that must reconcile the deep, enduring humanity of its people against the strict controls imposed upon them by the state. The film's cumulative power lies in its escalating tensions, as its characters seek deliverance from a system that seeks to silence them.

THIS IS NOT A BURIAL, IT'S A RESURRECTION

Director: Lemohang Jeremiah Mosese Producers: Cait Pansegrouw, Elias Ribeiro Cast: Mary Twala Mhlongo, Jerry Mofokeng Wa Makheta, Makhaola Ndebele, Tseko Monaheng, Siphiwe Nzima Lesotho/South Africa/Italy, 119 min.

In his arresting and unforgettable fiction debut, writer-director Lemohang Jeremiah Mosese crafts a beguiling parable of displacement and resilience. In a small village nestled among the imposing mountains of land-locked Lesotho, octogenarian Mantoa prepares for her death, longing to be buried in the centuries-old cemetery with her departed family and ancestors. As she is making arrangements, she learns that the community is soon to be forcibly resettled in order to make way for a reservoir, and their entire village, history and traditions will disappear under water. Dreamlike and hypnotic, the film is an expressionistic elegy for things lost, and for memory itself.

Director: Mary Blessey Producers: Mary Blessey, C. Paige Gutierrez USA, 51 min.

Only four years after the violence surrounding James Meredith's admittance to the university as its first African American student—and amid a controversial "Speaker Ban" imposed by the legislature and the Institutions of Higher Learning board on Mississippi's college campuses—a small, interracial group of forward-thinking students at "Ole Miss" devised a plan to get around the Speaker Ban and host a speech by RFK.
