Professional-level education for students and adults

We offer Filmmaking, Editing, Acting, Storytelling, Improv, and Screenwriting. Taught by experienced professionals, these courses provide hands-on learning in a variety of disciplines. Step outside your comfort zone, meet new people, and learn something new today.

I learned so much about the pre-production, production, and post-production processes and now have the skill set and knowledge to be able to make my own short film on my own. —Teen Student, Intermediate Film

► Classes + Workshops

I had such a great experience in filmmaking — I learned how to work with a crew, how to edit on a computer, and I made a lot of friends. —Teen student

My daughter took both sessions of editing with Premiere Pro this past fall and really enjoyed it. She learned a lot and has continued working on things by herself at home. —Parent of a high school student
